#### Dear MBS Member,

From the letter, you must have understood that the member who has expired has paid very negligible amount, but his nominee has received Rs. 50,000/-

If you feel that this amount is less then you only can help to increase it.

## HOW?

If everybody of you convince 2-3 new members to join MBS, the fraternity benefit will increase to Rs.-1,00000/- & even more. Start making efforts to convince maximum eligible members to join the scheme.

## The Highlightes of the scheme are :

- 1. Any Life Member of NIMA who has not complited the age of 60 years can join the scheme. Even his/her spouse who may not be eligible to be a member of NIMA can join the MBS.
- 2. To join the scheme he/she has to pay the Registration fee along with Fraternity Contribution & Membership fees. [For Detail ask for the FORM] He/She also has to send his/her degree certificate, Registration certificate and proof of his Birth date and marraige certificate for spouse member.
- 3. The benefit starts after completion of 6 months of joining the scheme.
- 4. After the death of a member and on completion of formality i.e. producing death certificate [xerox copy], the nominee gets the stipulated amount Rs. 50,000/-
- 5. He/She has to pay the fraternity contribution towards the death of fellow members. During the year[i.e. April to March], a notice to that effect will be sent in the month of April every year. The members can pay till June end after that the penalty clause starts.
- 6. After Completion of 20 yeras he/she has to pay only the yearly fee.
- 7. After completion of 5 years in scheme unfortunately the member falls sick, hospitalised and the expenses cross Rs. 20000/- he/she can avail the relief of Rs. 10000/- on producing the proof. He/She is not charged any interest on it. The amount so paid will be deducted at the time of final settlement.
- 8. If member become completely crippled the amount can be paid in instalment on verifying the details. The disadvantage is that the nominee will not be paid the FBA.
